時間数	90分×時限×16回(週1回)	履修区分	選択	単位数	2単位

【授業目標・到達目標】

The purpose of this course is the reading of news articles. Newspaper articles as well as news from the Internet are a good source of reading. We will look at many Web sites as well as newspapers that have interesting articles. The articles will cover many topics, for example, science, politics, medicine, movies and human interest stories. At the end students should be able to read many kinds of articles, but also know many places to find interesting readings.

【履修注意】

Students will have homework. The homework will be to prepare articles that I will give out at the end of each class.

Students who do not come more than four times will fail. 4 absence=safe; 5+ absences=D.

【評価方法】

There will be a mid-term examination in week 8 (40%) and a final examination in January (50%). Weekly classwork will count 10%.

【試験について】

Students should keep the weekly articles because they can bring the articles to the exams. The exams will have two parts. One part will have questions about the articles that we have read. The second one will be questions about an article that we will not have read. The students will receive the article at the end of the previous class. They will read it and can bring it to the class. The students will see the questions for this article on the day of the exam. 再試験がありません。
